

Three - year Residency Training Programme in Anesthesia and Analgesia at San Marco Veterinary Clinic and Laboratory

Position

San Marco Veterinary Clinic, a recognized ECVAA training centre, offers a position for a resident in Veterinary Anesthesia and Analgesia. San Marco Veterinary Clinic is a state-of-the-art tertiary hospital with a high caseload in small animal anesthesia, analgesia, and intensive care. The anaesthesia and analgesia services includes 1 ECVAA Diplomate, 1 resident, 7 experienced anaesthetists and 2 interns. Appropriate externships (in large animals, exotics, and laboratory animal anesthesia) will be organized to fulfill the requirements established by the European College of Veterinary Anesthesia and Analgesia (ECVAA) for board certification.

Residency Direction

Dr. Elisa Bortolami, DVM, Ph.D., ECVAA Diplomate, MRCVS, EBVS® European Specialist in Veterinary Anesthesia and Analgesia – Anesthesia and Analgesia Department Coordinator

Requirements

The candidate should have completed a rotating internship of at least 12 months or have equivalent clinical experience. Knowledge of Italian is desirable, as well as a good knowledge of English. Interest in clinical research is fundamental. Publications in peer-reviewed journals are desirable

Applications

Applications should include:

- curriculum vitae
- letter of intent
- two reference letters
- certificates (undergraduate studies, internship certificate, other recognized title
- veterinary licensing documentation

Info & Contact
